

QUEEN MOVES ONLY:
6 Courage Codes from Queen Esther Every Woman Needs

By Pastor Kim Bulgin

ESTHER'S STORY: THE BLUEPRINT FOR COURAGE

Esther wasn't just a pretty face in a palace. She was a woman of divine strategy, feminine power, and unapologetic courage. Her story isn't about luck or beauty—it's about *God-given dominion*. Esther shows us what happens when a woman stops playing small and starts moving like a queen.

KEY GEMS:

✨ Your courage isn't random. It's royal.

✨ Discernment is courage. Protect your power.

✨ Your beauty is strategy, not distraction.

✨ Fans flatter. Mordecais call you higher.

✨ Fasting is a weapon. Not a weakness.

✨ Your legacy is *permanent* when God writes it.
